

Staying Safe in Uncertain Times

WEC Manufacturing understands that these are uncertain times. Please follow all local government and CDC recommendations. Certainly, the best advice for all is to remain vigilant.

At WEC Manufacturing, we face the same challenges as other businesses. We have maximized the technology needed to handle working remotely and video conferencing where possible. Our dedicated staff is still hard at work, handling these conditions as best we can.

If you need the best lockers for your next project, contact WEC today. We can still work with your specifications or requirements. Most of all, rest assured we can design and build a locker that will fit your budget and match your needs.

Stay safe. We look forward to serving our customers for many years to come.

HAPPY HOLIDAYS!

As Thanksgiving approaches, we realize how THANKFUL we are for the fantastic projects we completed this year. WEC Manufacturing is proud of our progress and growth this year.

We wish all of our website visitors and customers a very Happy Thanksgiving. WEC hopes that you have a safe and enjoyable Holiday Season that leads to a prosperous 2020!

SPRING FORWARD

As Winter Turns to Spring, WEC Manufacturing Metal Lockers are "Blooming."

This winter has been tougher than WEC metal lockers for some of us. Some extraordinary and extreme weather events unfolded across the U.S. Spring brings renewal. WEC Manufacturing is renewing our drive for 2019. We still back our products with a Lifetime Warranty.

We have seen our lockers installed in facilities all across America and are proud of the work we have done. However, we still have a lot of work to do. We want to continue to provide the highest quality lockers in the market. Contact WEC if you have any locker needs. Let us help you design the perfect locker for YOUR needs. Check out our great lineup of metal lockers [HERE](#).

If you are in the market for lockers, look thru our [Product Catalog](#). Also, if you have any questions about lockers or other storage products, or you would like to know more about WEC Manufacturing, please [CONTACT US](#).

March Madness is here. WEC Manufacturing is bringing the best lockers to the market. Consider WEC your #1 seed locker manufacturer, not your bracket buster! WEC listen to customer needs and provides the options, features, and durability every customer wants.

WEC Manufacturing has been in business since 1987. Go with a trusted leader in locker manufacturing. If you have any questions, if you have specific needs, or if you need a quote for your next locker project, please [CONTACT WEC](#).

HAPPY 2019!

Fresh. Exciting. Endless possibilities. That's how WEC Manufacturing looks at 2019. Thanks to our loyal and awesome customers, 2018 was a great year for WEC. We hope to keep that momentum and do even greater things with our partners in 2019.

WEC wishes you all a very successful and fruitful 2019!

WEC UPDATED WEBSITE

In business since 1987, WEC Manufacturing has faced many challenges over the years. Our response to these challenges has led to continued change and sustained growth. Our website is changing also. Our company started as an engineering and distribution company and has grown to include full line locker manufacturing. Customers use this website to find out about our products, download information and contact us. WEC says Thank You, for taking the time to visit our website. We hope that any information you are needing is readily available. If you have trouble finding what you are needing or have any questions, please call and speak to one of our staff, at 901-367-3922. Or at the bottom of our web pages, you will see the "Contact Us" box. As always, we are here to serve our customers and look forward to forming long-lasting relationships.

Visit the WEC Manufacturing website regularly as we will continue to update it with new information.

Thank you again for visiting www.itswec.com!
